Homework

A QR code is provided each Tuesday in your child's reading record, this will provide information about learning we are doing in class for the week and activities you may wish to do at home. Please continue to read to or with you child every day.

...and finally

Please help your child to pack their bag, ensuring that their reading book and reading record are with them every day.

It would be handy to keep a spare pair of socks in the school bag too, as feet can become soggy playing on the grass at playtime and lunchtime.

Double check that water bottles, jumpers, cardigans and coats have names to help identify lost property.

Continue to check BlueSky @mrscrerar.bsky.social for latest pictures and information about our learning.

Health and Wellbeing

We are continuing to develop our resilience, thinking about how our actions may affect others and become more confident in using Big Deal/Little Deal strategies. We will also be discussing Growth Mindset, helping us to develop confidence when approaching new tasks.

PE

Mr Moretta takes P3 for PE on Friday and the focus is gymnastics and social dance. Mrs Crerar takes PE on Wednesday and the focus is on teamwork and resilience.
