

Primary 3 Learning Overview Term 3 2025-2026

Being ACE at Dunipace

• Aspirational • Confident • Engaged

Numeracy and Maths

We are continuing to:

- read, write, order and partition numbers to 9999
- use fact families to link addition and subtraction facts
- use mental and written methods to add and subtract 2 digit numbers
- continue to practise the 2, 5 and 10 times tables
- telling time

Topic/IDL

This term we will be exploring Scots language and poetry. We will be building our confidence to perform in front of our class audience, taking into account pace, gesture and expression.

We will also be exploring ancient history.

Literacy

We are continuing to:

- use VCOP to uplevel our writing.
- explore rhyming words
- read over our writing to make sure it makes sense
- look for punctuation clues when reading to help develop our fluency and expression
- later this term, we hope to develop our enjoyment of reading by using our Additional Reader books - more info to follow

Reading continues on Tuesday and Thursday.

Homework

A QR code is provided each Tuesday in your child's reading record, this will provide information about learning we are doing in class for the week and activities you may wish to do at home. Please continue to read to or with your child every day.

...and finally

Please help your child to pack their bag, ensuring that their reading book and reading record are with them every day.

It would be handy to keep a spare pair of socks in the school bag too, as feet can become soggy playing on the grass at playtime and lunchtime.

Double check that water bottles, jumpers, cardigans and coats have names to help identify lost property.

Continue to check Bluesky @mrscrerar.bsky.social for latest pictures and information about our learning.

Health and Wellbeing

This term we will be discussing and becoming more familiar with UNCRC Rights of the Child.

Fun3! will restart this month, allowing pupils to experience and develop skills through learning with different teachers and peers.

PE

Mr Moretta takes P3 for PE on Friday. The focus will be on Fitness, then Invasion/Ball Games.
