

# I am Special assemblies

**We have been learning about Dyslexia,  
Autism, ADHD and Tourette's at  
our P4-7 assemblies**

Jan/Feb 24

**We enjoyed learning about...**

1. understanding others and their superhero powers
2. interesting facts about additional support needs
3. celebrities who have superpowers too
4. achievements of people with additional support needs
5. the rest of the class might see why I act differently or understand me

**We would like to learn more about...**

- **Down's Syndrome**
- **First Aid**
- **anxiety**
- **more information about the effects of superpowers we talked about in the assemblies**
- **children in our school who may want to share their personal experiences of having Dyslexia, Autism, ADHD or Tourette's**
