

What are Global Goals?

The Global Goals are a plan that all world leaders have agreed to put into action; that leads to a 'greener, fairer, better world by 2030'

No poverty

Goal 1 aims to end poverty in all its forms, everywhere. Countries have committed to reducing child poverty. No poverty means that **everybody** has enough money for their basic needs

Zero hunger

Goal 2 focuses on ending all forms of hunger and malnutrition, ensuring that everyone—especially children and the vulnerable—have access to nutritious food year-round. This goal also includes promoting sustainable agriculture practices

Health and wellbeing

Global Goal 3 is all about ensuring good health and well-being for everyone, everywhere.

When people are healthy and happy, they can do amazing things. They can work hard, learn new things, and contribute to their communities.

How are we doing developing the Global Goals at Dunipace Primary School?

1 NO POVERTY

Primary 5 have been leading on managing our Community Larder. The class organised a restock of our larder at Harvest time and during our health week. We take donations throughout the year from our Parent Council and local Dunipace Parish Church. Any of our families can ask for a package of non-perishable food and toiletries throughout the year.

Primary 4 have been developing and advertising our school uniform clothes bank. In the last week of term, we are inviting our families to share their pre-loved uniforms no longer needed because our children have grown out of them.

Any clothes unsuitable for reuse will be donated to a charity called Rag Bags. The school is given a donation from the charity based on the weight of the clothes we donate.

How are we doing developing the Global Goals at Dunipace Primary School?

Primary 6 and our nursery children have been planting and growing vegetables in our Hebertshire Secret Garden. When the food is ready, we will harvest our vegetables in Autumn time and make food together such as soup.

Our school has an orchard with plums and apples. We use these fruits to make jam or crumbles.

In our wider community we have links with the local foodbanks called Roots. Our Inclusion and Family Support Worker will make referrals to Roots at Harvest Time, Christmas and Easter for our families who benefit from this support.

2 ZERO HUNGER

3 GOOD HEALTH AND WELL-BEING

Want to know more about **Health and Wellbeing**, please copy the link below to watch the clip shared at whole school assemblies.

<https://www.youtube.com/watch?v=ifCQ4LqT8G8>

A group of **Primary 7** children planned a health week with our Inclusion and Family Support Worker and Support for Learning and Nurture Teacher.

Our children had a week of learning about how they can look after their emotional, physical and mental well-being.

We were supported by some of the following partners:

Roots Foodbank

Our local community Police

Our local community Fire Brigade

Tae Kwan Do

Active X

Falkirk Mental Health Services shared at an assembly about how to look after our mental well-being

Swimming for Primary 4 and 5

Rollerblading

Silent Disco

Walking in our local area

.... and much more
